

CUBA

Compact acoustic lighting designed to bring warmth, charm, and character into open spaces.

Small in Scale, Strong in Presence
Cuba combines soft materiality, bold design, and ambient lighting to create spaces that feel more intimate and visually engaging.

Designed to Stand Out

Its compact form adds character and warmth without overwhelming the surrounding space.

Made for Shared Experiences

Ideal for hospitality spaces, lounges, collaborative areas, and expressive commercial interiors.

**We exist to bring happiness,
human emotion, and a good
feeling to life.**
