

HEXO

Bold geometric acoustic lighting designed for expressive and multifunctional spaces.

Geometry that Stands Out

Hexo introduces stronger visual rhythm and architectural identity into spaces while supporting acoustic comfort and lighting performance.

Designed for Versatility

Works naturally across workplaces,
hospitality setups, lounges, retail spaces,
and collaborative environments.

Built Sustainably

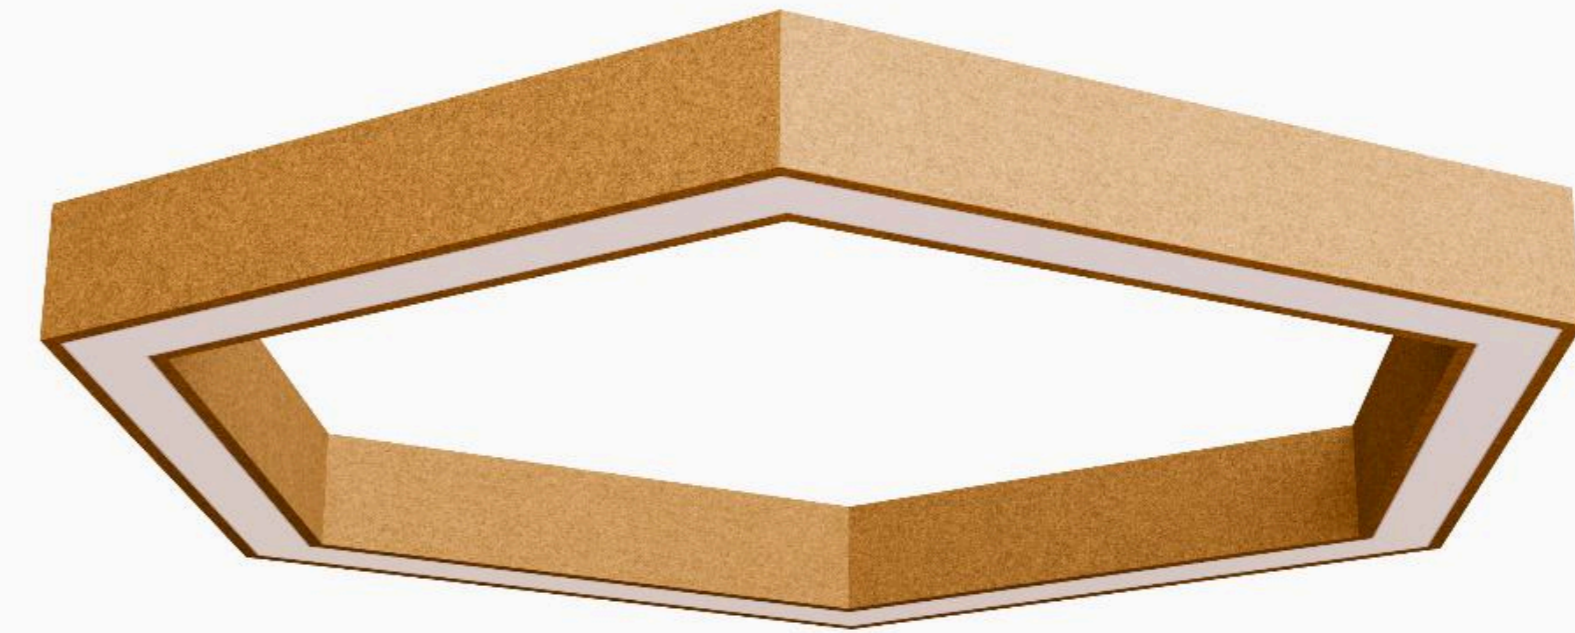

Made using recycled PET
material with lightweight
modular construction for
modern interiors.

Flexible configurations for different spaces and needs.

Variants

Small

Large

**We exist to bring happiness,
human emotion, and a good
feeling to life.**
