

SHELL

Elegant acoustic lighting
designed with layered textures
and softer visual detailing.

Elegant, Warm, and Adaptable

Shell combines acoustic comfort with textured forms and flexible finishes to create spaces that feel softer, richer, and more intimate.

Texture that Changes the Space

Available in multiple ribbed and patterned finishes that introduce depth, rhythm, and visual warmth overhead.

Flexible by Design

Different finish options allow Shell to adapt across varied architectural styles and spatial moods.

Flexible configurations for different spaces and needs.
